

SHORE TO SHORE '24

February 2nd - 4th 2024

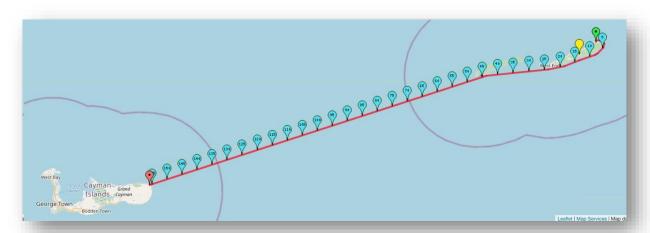

155KM 2DAYS

First ever Surfski paddle - Cayman Brac to Grand Cayman

Run by Paddle Cayman Islands

12 paddlers

Including Veteran paddlers:

- Tyron Maher Winner of the 4 day Berg River Marathon 2019 https://www.instagram.com/tyron_maher/?hl=en
- Chatterjack Veteran Flip Dup https://www.chattajack.com/

The Paddlers PADDLE CAYMAN

Shore to Shore '24 is being organised by a keen group of friends, to support the amazing CBRAC project. Undertaking an adventure that has never before been achieved we are super excited to be paddling from the eastern tip of Cayman Brac to Grand Cayman. All in aid of a wonderful cause that will benefit Cayman for generations.

We're training hard. Wave if you see us out on the water!

THE PROJECT

Our Mission

"To raise funds to protect the biodiversity of the bluff and coastal forests of the Cayman Islands, creating nature parks and securing access rights to recreational areas. We envision an island of nature and humanity, living in harmony with a deep connection to our natural heritage"

Our Goal

- * "30 50% of land protected (per UN/IPCC guidelines)*
- National Park Status
- UNESCO World Heritage Site recognition
- A community connected and integrated with nature

*In conjunction with National Trust, CI Government amongst others

FURTHER INFO

Timeline

Incorporated and registered as NPO

In June 2021, CBRAC was incorporated as a section 80 company, followed by our NPO license in August 2021

Launched website and sponsorship program

The CBRAC website launched featuring a sponsorship map that allowed users to choose a specific habitat to sponsor

Completed 100% sponsorship of first park

100% of habitats in the inaugural park were sponsored by over 50 individuals, families, schools and businesses

Purchased 2 parcels of land

The first 2 protected areas were purchased on the South Side of Cayman Brac, protecting precious bluffside habitats

Launched Biota App

Launched the Biota App for iOS and Android featuring the sponsorship map, photos of the habitats, plants, and animals of CBRAC parks, and a personal dashboard for sponsors
